

## UK SUN FAST CHALLENGE 2018

### RULES

2 Rankings: a classification for the Sun Fast 3200 and one for the Sun Fast 3600

Ranking by points on the events of the calendar taking place in 2018.

The selected events, 7 in UK, offer a mix of offshore, inshore, crewed, double-handed or solo races.

**The classification is carried out on the boat's name**, skipper and crew changes are possible throughout the season.

The Sun Fast Challenge is open to all Sun Fast 3200 and 3600 with a valid IRC certificate.

For each event, the Sun Fast ranking is extracted from the official general ranking, according to the points scale and the classification method of the event in question.

The first Sun Fast in each event receives a number of points equal to the number of Sun Fast who actually participated in the event, + 10 «Participation Bonus» points.

The second, one point less than the first, and so on, the last one receiving only the 10 participation bonus points.

All events count towards the ranking.

Any participation in a race automatically registers you for the Challenge.

In the last event of the year (IRC Two-Handed National Championship), the general classification counts double. The 10 participation bonus points are not doubled.
