

France CHALLENGE SUN FAST 2020

The selected events, 7 in the Atlantic and 7 in the Mediterranean, offer a mix of offshore, inshore, crewed, double-handed or solo races.

6 Rankings:

- an Atlantic classification and a Mediterranean classification
- a classification for the Sun Fast 3200 , for the Sun fast 3300 and one for the Sun Fast 3600

Ranking by points on the events of the calendar taking place in 2020.

The classification is carried out on the boat's name, skipper and crew changes are possible throughout the season.

The Sun Fast Challenge is open to all Sun Fast 3200, 3300 and 3600 with a valid IRC certificate.

For each event, the Sun Fast ranking is extracted from the official general ranking, according to the points scale and the classification method of the event in question.

The first Sun Fast in each event receives a number of points equal to the number of Sun Fast who actually participated in the event, + 10 "Participation Bonus" points.

The second, one point less than the first, and so on, the last one receiving only the 10 participation bonus points.

For the **2020 Atlantic Challenge**, the overall ranking in the Sun Fast World Cup counts triple, and the Transquadra Lorient-Madeira leg counts double. The 10 participation bonus points are not tripled or doubled.

For the **2020 Mediterranean Challenge**, the general ranking in the Transquadra Marseille-Madeira stage as well as the Giraglia counts double. The 10 participation bonus points are not doubled.

The 10 " Participation Bonus " points will be awarded in case of withdrawal during the event.

In addition, new for 2020: **5 additional points** per race will be awarded to crews running in **double-mixed races**.

All events count towards the ranking.

Any participation in a race automatically registers you for the Challenge.
